

## ADVENTURES IN NATURE ENRICHMENT PROGRAM

This Spring UCPP is “branching out” its offerings to include an after-school nature enrichment program where we take advantage of our access to nearby open spaces in Reston and offer children time for exploration and play in nature.

We are excited to announce our **Adventures in Nature Enrichment Program** for our Chipmunks and Monkeys! This program is designed to give your child an added afternoon of fun and adventure.

**On Tuesdays, March 19, March 26, April 2, and April 9 (12:15 to 2:15 pm)**

Participating children will stay for lunch and have their adventures in nature with Ms. Langston, Ms. Jasper, and Miss Ginger. Twelve spaces are available, and we need at least 6 children for the adventure to begin. The cost for Adventures in Nature is \$140.00 for the 4-week program. After we receive your RSVP, program details and a permission slip will follow.

**RSVP by: March 8, 2019**

Yes! Count \_\_\_\_\_ in for UCPP’s  
(Child’s Name)

Adventures in Nature Enrichment Program.

\_\_\_\_\_ Attached is my check for \$140.00

\_\_\_\_\_ Please bill me for \$140.00
